

REMARKS

Claims 1 – 18, 67, and 71 – 85 have been allowed. Claims 1, 67, and 76 have been amended to correct a typographical error in Formula I. Support for this amendment can be found, for example, on page 17, line 23, of the original specification.

On August 7, 2009, Applicant's representatives and Examiner Cheung discussed the decision by the Board of Appeals in US Application No. 10/766,694. Applicant's representatives noted that the formula in claim 1 of the present application had a typographical error. Examiner Cheung agreed that the error was typographical in nature and could be corrected via a claim amendment under 37 C.F.R. 1.312.

The Office is invited to contact the undersigned counsel in order to further the prosecution of this application in any way.

Respectfully submitted,

Dated: 08/25/2009
